

AGI ACADEMIC ASSOCIATES REGISTRATION FORM

Department Name: _____ **Institution:** _____

CONTACT NAME: _____

CONTACT E-MAIL: _____

Prepayment or Signed Purchase Order Required

To expedite your payment, you may register and pay by credit card online at
<http://www.agiweb.org/associates/academic/>.

_____ Enclosed is my prepayment of \$225 (payable to the American Geological Institute, in U.S. funds, drawn on a U.S. bank);

_____ Please invoice the department \$225. Our signed purchase order is enclosed.
Purchase Order No. _____

_____ Please charge my credit card \$225.

Card holder's name _____

Card No. _____ Expiration Date _____

Authorized Signature

Title

Date

Mail or fax this form to John P. Rasanen
American Geological Institute, 4220 King Street, Alexandria, VA 22302-1502
Fax: 703/379-7563

Your registration is valid for one year after receipt of payment. Thank you for joining the AGI Academic Associates program!

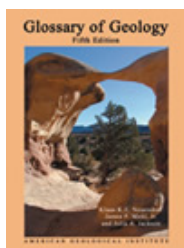

Description of Benefits

1. **Subscription to Earth Magazine:** Subscription valid for one year from date of registration. The subscription will be sent to your department chair.
2. **Listing your department in the Guide to Geoscience Departments:** To list your department in the *Guide*, contact Leila Gonzales <lmg@agiweb.org>, 703/379-2480, Ext.632. to receive your department's ID number and password. Your listing in the online *Guide* will appear soon after we receive the information from you.
3. **A copy of the *Geoscience Handbook: AGI Data Sheets, 4th revised edition*, will be mailed to you upon receipt of associates' dues.**
4. **A copy of *Status of the Geoscience Workforce* will be mailed to you upon receipt of associates' dues.**
5. **The Online Glossary of Geology service will be made available via IP address to the associates' department upon receipt of associates' dues and will remain active for one-year (academic department only, this does not include library access).**
6. **Academic Associates can purchase bulk copies (minimum 10 copies of each title; inquire for shipping/handling costs) of the following titles:**
7. **Print copies of the *Glossary of Geology* can be purchased for \$69.30 per copy (retail \$99.00).**
8. **Additional copies of *The Geoscience Handbook: AGI Data Sheets, 4th edition* can be purchased for \$34.97 per copy (retail \$49.95).**
9. **Your department can receive a one-year bulk subscription to EARTH (15 copy minimum) for your students for \$15.00 a copy (restrictions apply). E-mail jr@earthmagazine.org for details.**

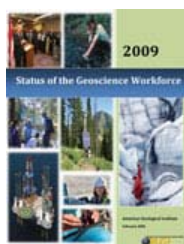

Geoscience Handbook: AGI Data Sheets, 4th edition

The *Handbook* covers diverse subjects, from geophysics to geologic map symbols to GPS usage, and everything in between! Updated in 2006, *The Geoscience Handbook* is now a larger, but still portable, format for easier reading. The *Handbook* uses color photos when possible to better illustrate geology in the real world. New to this printing is the 2009 Geologic Timescale published by the Geological Society of America.

Glossary of Geology, 5th Edition

The fifth edition of the *Glossary of Geology* contains nearly 40,000 entries, including 3,600 new terms and nearly 13,000 entries with revised definitions from the previous edition. Additions and changes reflecting both advances in scientific thought and changes in usage make this 800+ page hardbound reference tool indispensable to professional earth scientists and students. In addition to definitions, many entries include background information and aids to syllabication.

Status of the Geoscience Workforce

The *Status of the Geoscience Workforce* 2009 report is based on original data collected by AGI as well as from federal data sources, professional membership organizations, and industry. The report integrates all of these various data sources into a comprehensive view of the human and economic parameters of the geosciences, including supply and training of new students, workforce demographics and employment projections, to trends in geosciences research funding and economic indicators.
